**Growing Into the Future
Together**

G.I.F.T

We are enhancing our present to be ready for our future. Our parish will soon celebrate its 150th year in 2024. *Growing Into the Future Together* is our parish effort to provide top quality air standards for our students in our school building with badly needed air conditioning for both the day students and the students who come in the evening for Faith Formation. In addition, it is time to provide a new parish administrative center that is handicapped accessible and stable. The present parish

administrative center that is handicapped accessible and stable. The present parish offices encompass three floors of a wood framed building that was designed as a residential structure and is not handicapped accessible. The front part of the building is 100+ years old and the back half is over 70 years old. A new parish administration center will allow for everyone to be able to access the building to do Ministerial, School and Parish business. It will also provide a safe and ample place through which our Good Samaritans food pantry can care for the less fortunate.

To meet this challenge, we have embarked on a five year campaign. Thus far, we have raised over \$3.5 million dollars and are 27% away from our goal of \$5 million with only 330 gifts. We need everyone to participate at some level to accomplish these two goals. As we move into our next 150 years, let us honor all that we have received from the people who sacrificed for us in the past and so continue *Growing Into the Future Together* (G.I.F.T.). Participating in G.I.F.T. is recognizing the gifts you have received from God by sharing some of those gifts for the continued work of His Church, your parish.

The Eight Day Week! We are all familiar with the seven day week. This division of days and hours is as old as creation. It was within this seven day week that Jesus was born, grew, preached, healed, suffered and died. However, there are eight days to God's week.

Jesus' resurrection, however, begins a new creation. This new creation bursts out of the boundaries of our seven day week. Sunday, the Lord's Day, is at once the end and the beginning of the "eternal" week. Our font has eight sides to remind us of the eighth day, the day of eternity.

Easter Sunday is the first day of that eternal week. You and I live in the light of that fact. Yes, we live in this world and its seven-day week, but we also know that God has given us the power to look beyond our routine of seven days. Our baptism compels us to look beyond the obvious reality of this time and place knowing that we belong to a more complete world made whole by Christ's cross and resurrection.

This is why our weekly gathering to celebrate the Eucharist, the gift of God's new creation in Jesus, is so important that it is an obligation for us. Not an obligation that is empty of devotion but one based in love. Just as a married couple is obligated to remain faithful to each other so all of us who are married to Christ in baptism are obligated to worship God weekly. This weekly sacrifice is what helps us to see God's plan for us and the world. Without it, we quickly lose sight of what is really most important in life and are carried away by the uncertainty of daily life, our fears and anxieties.

The everyday task for us, people of the eighth day, is to live our seven day week as if it were the day of fulfillment, the eighth day. And this is best accomplished by honoring the *first day of the week, Sunday*. If we live out of the knowledge and belief that our weekly cycle is part of God's larger plan, then we live in the same spirit as Jesus, our model and guide.

Today is the last and first day of your life. God's eight day week has arrived in Jesus' resurrection. Renew this joy each week around the altar of the Lord so you are able to live today, tomorrow and the days to come in the spirit of Jesus, the Risen One.

Labors of Love Ministry

Have you ever opened your junk drawer & said “What do I do with that?” The Members of Labors of Love Ministry took on the challenge of what to do with old eyeglass cases, broken jewelry, tiny toys, unused buttons and beads, yarn/fleece that someone didn't know what to do with and those Beanie Babies that never became a collectible treasure.

A little more than a year ago, the members of Labors of Love began collecting unused eyeglass cases. After collecting a full bag, an LOL member who was also in the Lions club, offered the services of the Lions to fill over 300 eyeglass cases as first aid kits. They were then distributed to five groups which come in contact with those who are unhoused. Discarded jewelry, buttons, scraps of yarn & fabric were made into sensory items for local nursing homes & schools to keep busy the hands of those with autism or dementia. The need is expanding and we receive frequent requests for sensory items. Once again, a member knew someone or perhaps you called to request an item. Yarn in someone's basement that was waiting for “someday” was made into warm, comforting blankets, hats & scarfs for the Veteran's Apartments in Hobart, the Women's Care Center and Home Health Care clients. Yarn that was just too itchy, became cushions for the cage floor at the animal shelter. How did we know who needed what? Someone spoke to us, knew someone or read something in the newspaper. A white piece of card stock becomes a lovely card & that pack of beads the kids no longer play with becomes a Rosary. A plush toy is combined with a small blanket for a toddler who may not be living at home. Such was the case with our donation of loveys to Ukraine refugees. We discovered who could benefit from our Mission through ***You***. You are our voice in the Parish and the community to help those in need. Pass the word!

We have been fortunate that word of our mission is spreading, and we are contacted by more individuals and organizations. We are here to do more. In the Fall, we were honored to receive the Mercy Grant to assist with our mission and we welcome donations of gift cards, yarn, and fleece. The mission of Labors of Love is to bring comfort to those in need using the talents God has given us. We are happy for suggestions, ideas or samples of items we can make. Our newest venture is focusing on crafting a small token to be given at the Baptism to those two years of age or younger to “Welcome the youngster into our Church Family.” Ministry members hope to start this program mid-summer. Labors of Love is also putting together a raffle basket with handmade items for the Passport program and increasing our inventory and distribution of sensory items. There is an increase in requests for adult bibs and we continue to make walker caddies. Our obligation to make 75 blankets for the Veterans center has been met, but will continue on an “as needed” basis. Time is on our side for Christmas and next winter weather items for local schools & the Good Samaritans. New ideas are always brewing for our display tables when Labors of Love co-host Coffee and Donut Sunday later this year. ***“Give something, however small, to the one in need. For it is not small to one who has nothing. Neither is it small to God, if we have given what we could.”***

THE WORD

(Readings for April 16, 2023, Divine Mercy Sunday)

- I. *Acts of the Apostles 2:42-47* Early Christians adhered to apostolic teaching, centering their lives on prayer, the breaking of the bread, the common life, and charity.
- II. *1 Peter 1:3-9* Through God's great mercy, Christians have new life in the resurrection of Jesus Christ. The goal of faith is salvation.
- III. *John 20:19-31* Through locked doors the risen Lord came, stood before the disciples, and said, "Peace be with you." Thomas was not present at first; when he saw Jesus, he could not believe. Jesus conquered his doubt.
