From the Pastor's Desk

Fr. Robert is taking over "From the Pastor's Desk" for the next four weeks.

What are Angels?

The average person has a very poor understanding of what an angel truly is. Artwork depicts them as human beings with wings, or worse, as naked little babies sitting on the clouds. Yet, if we actually saw them with the eyes of faith, we might die from sheer awe at their immense power and the beauty of God that reflects from them.

However, we need to remind ourselves continually that angels don't "look" like anything at all—angels do not have a body, nor are they comprised of any matter. Angels are pure spiritual beings, pure intelligences. This means that angels have an intellect to know things, and they have a will to love things, but they don't have all the other things that we bodily creatures have. For instance, we have appetites for food and drink, and we have emotions as a result of hormones or chemicals in the brain; our brains also build memories and neural pathways, training us to operate in habitual ways without needing to think or focus on what we are doing. Without the influence of appetite, emotion, or habits, angelic spirits have a willpower that is completely free and potent—whatever they love, they love with their whole being.

Furthermore, since they lack bodies, angelic spirits are not contained in space and time as we are. Indeed, they may sometimes act upon things in space and time, but angels themselves are not bound by the material world. This is why they seem to be so fast—and why we depict them with wings—angels can "move" at the speed of thought simply by choosing to act upon an object. In one moment, they can act upon the Pope in Rome, then in the next instant they can act upon me here in Schererville, Indiana!

Our thinking concerning angels gets even more confusing when we talk about their relation to time. Since angels reside beyond time, whatever choices an angel makes are made forever; there may be certain consequences of an angel's choices at certain moments in time when it seems the angel "enters into time and space," but the angel has made a perpetual choice since the moment of his creation, and his willpower never wearies, nor does he change his mind.

Also, because they exist outside of time, angels do not learn or gain an increase of knowledge. An angel received all the knowledge he would need for his purpose in life at the moment of his creation by God. It is as if God uploaded all their necessary files from the start, and much like a computer, they access those files and know this necessary information with ease—no corruption of files or decay of memory ever afflicts these bright angelic intelligences.

Moreover, angelic spirits never die nor decay. A spirit is not subject to corruption as a body is. The only way a spirit could "die" is for God to cease supporting its existence. But God loves the angels, meaning He wills them to exist forever. The very existence and work of the angels gives glory to God, so He loves to surround Himself with their company.

Feel small yet? Or maybe your head just hurts from all the gymnastics it has to do to understand the wonderful world of angels.

In the next article, I will discuss why God created the angels, what their mission is, and what happened to the angels who refused God's will for them.

MASS ON

Mark your Calendars!
Mass on September 29th will be at 2:00 PM on Mount Calvary.
There will be no morning Masses that day!

“A LOOK BACK IN TIME”

In 1979, Rev. Joseph E. Vamos was appointed pastor. To help serve the parish’s 1100 families, Fr. Vamos created parish office spaces in the mezzanine area of the lower level of the church and formed the parish’s first Parish Pastoral Council. In 1980, the parish cemetery’s grottos were renovated and reopened, and Mount Calvary was used for special Masses. As the parish grew to 1469 families, the parish added an additional weekend Mass in the lower level of the school, and numerous ministries and activities, including the parish choir, were revitalized. In 1982, the parish embarked on a capital campaign to replace the 1916 school building by building a second story to the 1968 addition and constructing an all-purpose social/athletic center on the site of the old school.

CURSILLO DE CHRISTIANIDAD

The Cursillo Movement is introduced via a three-day weekend retreat called a “Cursillo de Christianidad” which means “short course in Christianity” in Spanish. This retreat includes daily prayer, daily Mass and opportunities for Spiritual Direction and Reconciliation. During the retreat, a team of religious and lay people present a series of talks which are then discussed in small groups allowing for the sharing of personal insights. At the end of the weekend, candidates feel closer to Christ and have a better understanding of the power of the Holy Spirit. They know of Christ’s unconditional love for them and that they have been called through their baptism to spread the Word of God. Any Catholic 18 or older may make a Cursillo. The next women’s weekend will be held **September 12th-15th**, and the men’s weekend will be **October 17th-20th**. The retreats are held at Camp Lawrence in Valparaiso. Contact Carol Slager at 219-765-8600 for more information.

The St. Michael Feast Day 5K (Run/Walk) is a tradition that commemorates the memory of parishioners who lost their lives battling cancer or other debilitating illnesses. Although our hearts may never fully heal, we are able to honor them at this bi-annual celebration event. Thomas Campbell, a lifetime parishioner, member of the Music Ministry, husband, and father of two beautiful girls, was a proud Marine who passed away from cancer. This year, we are excited to honor his legacy by donating a portion of the proceeds to the American Veterans Collection. As a veteran, Thomas understood the difference a service dedicated to improving veterans' lives could make. We Run/Walk for those we Lost & to Honor our American Veterans. All are welcome to run, walk, volunteer, or donate to this year's cause.

Effective April, 2020: In an effort to provide accurate weekly collection totals, there is a six week lag in bulletin reporting. The timing of when weekly collections are received changed in early 2020, due to Covid. We went from 90% received on Sunday, to 30%. We have gradually moved up to 70%, but feel it's best to hold off on reporting until the majority of envelopes are received.

THE WORD

*(Readings for September 8, 2024, Twenty-Third Sunday in Ordinary Time)*I. *Isaiah 35:4-7a*

God comes to save us. The ears of those who are deaf will be opened, and the tongues of those who are mute will sing.

II. *James 2:1-5*

Treat everyone as equal before the Lord, rich and poor alike. Did not God choose the poor to inherit the kingdom?

III. *Mark 7:31-37*

A deaf man with a speech impediment was brought to Jesus who healed him. Jesus ordered the crowds to tell no one, but they went about proclaiming the Lord's wonders.
