From the Pastor's Desk

Past, Present, Future. These three realities are what we are all made up of, individually and collectively. As God's people we are each called to enter into a living tradition, a history that is not simply the past but one that carries us in the present and projects us into the future. It is the future to which we are directed not by our own wits but by God's Grace. Jesus reminds us that we sow the seed and others will reap the harvest. This is so true when it comes to planning and moving our parish community and the campus we call St. Michael's forward into a bright future.

As we look towards the 150th anniversary of St. Michael the Archangel in 2024, is a time for us to reflect on how far St. Michael's has come and how far we have to go in ensuring that the parish remains a home for future generations of parishioners. To this end, after assessing our facilities and consulting with contractors, the Parish Council and Finance Council endorsed the Feasibility Study that was conducted this past June 2022. The study was conducted by Community Counseling Services (CCS), a Catholic fundraising firm.

The study consisted of personal interviews, chosen primarily by CCS, and an online survey to parishioners. Thirty-three interviews were conducted and 327 e-survey responses were submitted. CCS felt that this response rate was slightly above the average. From this, we found that two case elements, the HVAC system for St. Michael School and a new parish office, were the most important priorities for parishioners and critical to the future vitality of the parish. Over 90% of those responding were either pleased or very pleased with their Parish: its prayer, ministries and administration. This is a reflection of all the good work and dedication of many, many parishioners.

There is always some hesitation when it come to preparing for the future. Some 52% of interviewees and 60% of respondents had a "positive or very positive" response to the campaign plans. Yet, 94% of those interviewed expressed that they would make a personal gift to a possible campaign. From the electronic survey, 40% said they would make a gift, while 42% said they would seriously consider making a gift if a campaign was initiated.

The results of the feasibility study was presented to Bishop McClory and the Diocesan Consultors (the Bishop's advisory council) in late July and they gave the green light to move forward. This study gave us a clear understanding of the hopes and priorities of our parishioners and a solid roadmap to achieve them. Based on enthusiasm for the proposed plans and a strong desire to move forward, we are now embarking on an exciting capital campaign, *Growing Into the Future Together* (GIFT).

Our campaign consultant, CCS, recommended that we move forward with a campaign goal of \$3.5 million, with a challenge goal of \$5.0 million. This dynamic campaign goal allows us to stretch ourselves and prayerfully reflect on securing the parish in the 21st century.

The campaign goal will allow us to:

- ◆ Provide the appropriate air quality in St. Michael School, allowing for air-conditioning the entire school building and proper ventilation, facilitating our children's education and faith formation.

Stretching ourselves and reaching our challenge goal of \$5.0 million will:

- ◆ Provide a new energy-efficient parish office that allows all parishioners to access and contribute to the parish and its ministries, facilitating our important acts of charity to the less fortunate.

The school's HVAC system is the first priority, and the new parish office is the second priority. The HVAC system will be funded prior to the parish office. Your previous generosity to the parish has accomplished so much, and we invite your prayerful reflection on this campaign. We are just beginning the first phases of this good work. Towards the middle of this month and extending through February, one of your fellow parishioners will reaching out to you to discuss these goals and invite your participation in making them happen.

This is for the future strength of St Michael's. Please join me in prayer asking for the continued guidance of the Holy Spirit and for an open heart to be courageous at this time in our history. Granted, sometimes the future can be clouded by concerns that are here today and gone in tomorrow. In 1929, the parishioners built the second church building and paid for it in the midst of challenging economic times. God does indeed provide through each and every open heart. They give us an example and a challenge whether you are new to our parish family or have been here for years. Let us enable future generations to have a future full of hope, just as we have been provided for by those we now remember in prayer.

Thank you in advance for your kind consideration. I am confident that with God's grace and guidance, we will succeed in this bold venture; leaving a powerful legacy of stewardship and securing our ministry for future generations of parishioners.

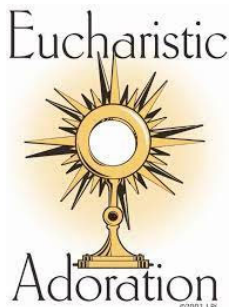

We understand that there will be lots of questions about the campaign, and are eager to hear them. Questions can be directed to the campaign email at gift@stmichaelparish.life.
