

Lower Your Taxes and Help the Children at St. Michael School

The State of Indiana has a School Scholarship Tax Credit Program. Here is how the program works. An individual or business will donate money into this program for St. Michael School. The donation can only be used for financial aid scholarships. You will receive an Indiana State tax credit for 50% of your donation amount. For example, if a business or individual donates \$100, they will receive a \$50 tax credit on their Indiana State income taxes. If a business or individual donates \$1000, they will receive a \$500 tax credit on their Indiana State income taxes. You can also use this same donation as an itemized tax deduction for your federal income taxes. It is truly a win-win situation. You can lower your taxes while helping the children at St. Michael School. This tax credit program is only available while state funding is available. In recent years, the tax credit program was only available through mid-December. The bottom line is to make your donation as early as possible to take advantage of this tax saving program.
